REVIEW REQUEST: A preapplication review by the Mono County Land Development Technical Advisory Committee (LDTAC) is requested for the following project. Briefly describe below the type of project, units, square footage, etc. Please attach expanded narrative if available.

Our plan is to relocate Gordos Mexican Restaurant in June Lake California. We would operate in a food truck, in which only cooking and food prep will be taking place. We would use the old Cathy's Candy establishment for dining and would only serve food and drinks. We plan this with the idea of not overly modifying the establishment. Inside, we would have a restroom, sink to wash hands, sink to wash dishes, a walk in and other necessities in order to properly operate, all following safety regulations and standards.

PLEASE PROVIDE: Maps, drawings, illustrations and narrative that may be useful for staff review.
